The Polish Financial Supervision Authority (KNF) coordinated 50 different events and

activities that took place in 13 primary and secondary schools all over the country during GMW 2016. Thanks to cooperation with active teachers and methodologists of economics, entrepreneurship and social studies who participated in KNF's seminars and workshops. This year's campaign reached more than 2000 pupils. The Polish Financial Supervision Authority supported the schools' coordinators by providing

KNF's publications, including financial literacy class scenarios referring to GMW 2016's theme "Take Part. Save Smart", and KNF's logo-imprinted promotional gifts for youth participants and the winners of the competitions as well.
